PUTT4 PAWS

NHS PUTT4PAWS GOLF TOURNAMENT RAISES \$20,000

The Putt4Paws charity golf tournament was held on Wednesday, September 18th at Dalewood Golf Club to raise funds in support of the Northumberland Humane Society.

Thanks to the generous support of the Northumberland community, \$20,000 was raised which directly benefits the animal shelter.

NHS thanks all golfers, sponsors and silent auction donors. A special thanks goes to major sponsors including Acme Electric, The El, Justin's Pet Store, CIBC Wood Gundy, Pet Valu, Ryan Huffman Real Estate and Lauria Auto Group.

"It is only through such strong community support that the NHS is able to provide temporary shelter and comfort to animals in need while promoting adoption to their forever homes," says Susan Edwards, NHS Chair.

The Northumberland Humane Society's mission is to be a charitable community partner dedicated to improving the lives of animals. Our vision is a community in which all animals are safe, supported and valued.
